ROUTINE RACING IN EAST

PIMLICO PROGRAM FEATURELESS, BUT RACES ARE KEENLY CONTESTED.

August Belmont's Entry Finishes First and Second in Steeplechase—Stalwart Helen Wins First Five Furlongs Race for Two-Year-Olds.

Baltimore, Md., May 20.—No feature save a steeplechase was carded at the Pimlico course this afternoon, but nevertheless the racing was keenly contested during the day and several finishes were of the close order. August Belmont's colors were seen again in front in the race through the field when his entry finished first and second. Merry Task being the winner, with Top Hat second and Promoter third. Dayton, who rode the latter, lodged a claim of foul against the winner for bumping him at the last fence. It was not allowed.

In the opening scramble of the day the juveniles for the first time this year went over the five furlongs course and the winner turned up in Stalwart Helen, overlooked by the talent, with Celto a close second. A close finish attended the second race, in which Hobnob just lasted to get the verdict over Napa Nick. The latter, as usual, lost several lengths at the start and made a strong bid in the closing strides.

The exodus of horsemen and horses to other tracks is now in full swing and many are departing for other race centers daily. The J. O. Talbott stable of twelve departed for Belmont Park this morning. Jawbone, which wintered in New Jersey, has been taken up and is in training again. Sam Louis also departed. He went to Montreal, and before he left, he purchased Carlton G., from J. W. Hendrick.

Mike Daly went to Belmont Park with a string of jumpers and R. T. Wilson sent three two-year-olds to Toronto, in charge of Al Weston. Several of the layers who were arrested during the spectacular raid on the Jamestown betting ring during the Norfolk meeting, were notified to be present for trial in that city tomorrow. They will leave here tonight and are confident of acquittal.

The sole topic of conversation among the horsemen today is the favorable turn in the outlook for a resumption of racing at New Orleans.

J. W. Cave, of Washington, today bought from Capt. E. B. Cassatt the two-year-old, Elasticity, a brother to Spring Board.

This morning's work-outs at Pimlico included the following:

Altamaha—Three-quarters in 1:18½.
Barnegat—Mile and an eighth in 1:56½.
Brave Comander—Mile in 1:46.
Buckin—Mile and an eighth in 1:58½.

COMMENT AND GOSSIP FROM KENTUCKY.

Louisville, Ky., May 20.—For the six races to be run on Saturday, the opening day of the Douglas Park meeting, no less than \$15,000 will be given in added money by the Douglas Park Jockey Club. The program for that afternoon in full is as follows:

First Race—Purse \$600, selling, for two-year-olds; five furlongs.
Second Race—Purse \$600, allowances, for four-year-olds and upward; one mile.
Third Race—Purse \$600, allowances, for two-year-olds; five furlongs.
Fourth Race—Kentucky Handicap, \$10,000 added, for three-year-olds and upward; one mile and a quarter. Estimated value, gross, between \$14,000 and \$15,000.
Fifth Race—Handicap, purse \$700, for three-year-olds and upward; six furlongs.
Sixth Race—Purse \$600, selling, for three-year-olds and upward; one mile and a sixteenth.

This surely provides an attractive setting for the Kentucky Handicap, the greatest of America's all-aged races at present.

The book program for the Douglas Park meeting, which has now been distributed among the horsemen and lovers of racing, shows a similar liberality in purses during the thirteen days of racing at this course this spring and undoubtedly the racing throughout will provide a fitting finale for the local season, which opened with such eclat and brilliancy this spring on Kentucky Derby Day at Churchill Downs.

Each day sees greater interest in the Kentucky Handicap. The field promises to be of unusual size and remarkable for quality. Solar Star's late good race at the Downs, at a mile in 1:39 with six pounds less than he will have to carry in the big handicap next Saturday, makes him loom up now as a candidate to be considered. He was a smart two-year-old and sickness prevented him from showing his real quality last season.

H. H. Emmons, owner of Rudolfo, winner of the inaugural Kentucky Handicap last year, still thinks his horse will win the event again next Saturday. He is in well at 117 pounds and Captain Emmons stated yesterday that he had confidence he would again run a great race this spring. He will secure the best jockey available to ride him in the big race.

Another considered by horsemen to be well in the race is the Latonia Derby winner of last season, Gowell. She ran in this event last season and was just beaten for third money after a rough journey. She will unquestionably go the route well and with her impost of 108 pounds must be set down as having a winning chance. All the other probable starters, to the number of a dozen or more, are doing well in training.

J. C. Milam's Kentucky Oaks candidate, Mand B. L., now looms up as a menace to Bronzewing and the other star fillies that will face Starter Morrissey in this stake on Friday, the closing day of the New Louisville Jockey Club's spring meeting. Her latest work for this race was a mile and an eighth in 1:53, in which she covered the first mile in 1:29½. The distance of this race is one mile and a sixteenth and Bronzewing will have to concede the Milam filly five pounds. Mand B. L. is a daughter of Star Shoot, and her dam, Queen Dixon, was a good race mare.

The string of Jefferson Livingston, which Mose Goldblatt will turn over at the conclusion of the Downs' meeting to be trained in future by H. R. Brandt, consists of twenty-four horses. Those now at the Downs are: Iron Mask, Prince Eugene, Florin, Bonne Chance, Sosius, Foundation, Thought Reader, Hyki, J. Nolan, Blue Racer, Ed Howard, Snider's Best, Gertrude B., White Crown, John Stelm, Baxter, Marie O'Brien and Bob Hensley. Brandt formerly trained a big string for Barney Scheffner, but of late years has been racing a small string on his own account. He has three horses, Cash on Delivery, The Reach and the two-year-old, Kris Kringle, which it is reported Mr. Livingston will buy.

THE RACING OF AMERICAN-BRED HORSES IN ENGLAND THIS YEAR

From the beginning of the English flat racing season at Lincoln, March 23 to May 7, inclusive, American-bred horses have won sixteen races, besides being placed in a considerable number more. It is noticeable that of the two leading American owners maintaining racing stables in England that of H. P. Whitney won no race in the time named, while that of A. Belmont is only credited with one, the Ouseston Plate, won by his Rock Sand two-year-old colt, Sandmole, at the Derby spring meeting. It follows that the winnings of horses bred in this country benefited English owners, the one important exception being the Great Surrey Handicap, which Coronis won for the American owner, Oscar Lewishohn. Considering that numerically the American-bred horses racing in England constitute but a small contingent of the whole number engaged in the sport there, it must be said that on the whole they have done quite well so far. Of the races landed Outram's Lincolnshire Handicap was the most important in value and prestige. It was of the net value of \$7,000 and to Outram belongs the distinction of being the first and only American-bred winner of this first highly important feature of English spring racing. In point of value the other races won of more than \$1,000 in net value to the winner were the Claremont Plate of \$3,895, won at Hurst Park by Lord Rosebery's Watercrest colt, Watergruel; Fifty-fourth Newmarket Biennial Stakes of \$3,100, won at Newmarket by Lord Cadogan's Rock Sand colt, October; Great Surrey Handicap of \$2,150, won at Epsom by O. Lewishohn's Viceroy filly, Coronis; Melton Selling Plate of \$1,820, won by Bobbin at Leicester; Fifty-fifth Sale Stakes of \$1,425, won at Newmarket by The Forest; Newark Handicap of \$1,310, won at Nottingham by Ocydrome, and the Chieveley Handicap, won by old Wamba at Newbury. The other races won were what would be termed purse races in this country and ranged in value from \$500 to nearly, but not quite, \$1,000.

There is no prospect of American-bred horses cutting any figure in the most important English races this year. August Belmont has several Rock Sand three-year-olds in the Derby and St. Leger, but there is no reason to suspect another like Tracey is hidden in their numbers. Mr. Whitney will be in bad luck, indeed, if he does not win a few good races with Harmonicon and Panasine, but his horses in training have been much reduced in number and his racing operations greatly curtailed. Several of his two-year-olds have raced without success. He has a three-year-old brother to Borrow named Slumber which is well thought of and may prove able to do something of note before the racing of this year is done. Next year he will have quite a band of two-year-olds by the most fashionable English sires from a number of American breeders. It is quite probable that his stable policy is to await the coming into racing of these youngsters before going into the sport again on an extensive scale. In the meantime what our horses did in the confines of the dates named is fully set out in the following table:

WORK FOR KING'S PLATE ENDS.

Toronto, Ont., May 20.—The serious work for the King's Plate was practically brought to a close when Mr. Seagram's four candidates were sent the distance today. Dark Rosaleen beat Sea Lord about three lengths in 2:12½, the first mile being run in 1:45½. The other pair—Froissant and Vastato—worked in 2:14½, the former showing best, though he has a doubtful leg. The track was slow, having been well watered through the night, and the work was quite satisfactory to trainer Littlefield. Two of the four, and maybe three of them, will run in Saturday's race and Butwell has been engaged for one.

Beau Cheval worked in 2:15. Double Bass accompanied him the first mile in 1:45½. Going alone, the Plater would not extend himself. A new candidate, Exmer, a four-year-old owned by A. T. Stewart, of Fort Erie, made his appearance at Woodbine today and showed a mile and a quarter in 2:16, accompanied by Cliff Stream for part of the journey. He has been trained by Barney Cole at Hamilton, where he was credited with a mile in 1:45. Exmer may be counted on as a sure starter, but Colonel Hendrie's Slipper Day may be an absentee, in order to run against her own sex in the Maple Leaf Stakes, at a shorter distance.

Many horses are arriving daily, the latest lots being those of Mrs. L. A. Livingston, Lewis Garth, Gwynn Tompkins, W. T. Anderson, Gallaher Bros., M. B. Gruber and W. H. Frey. Trainer Brown of the Gruber stable we brought Little Nephew, but the comestor Old Rosebud seems to be a long way from a race, though he was "jogged" this morning.

Mrs. Livingston's seventeen, trained by Matt Feakes, include Kingly and Pandorina. Ten of them are two-year-olds, all of her own breeding.

NOTES OF THE TURF.

R. O. Smith, a fifteen-year-old gelding by True-bro—Romping—Mile dropped dead while at exercise at the Overland Park track in Denver yesterday.

Last year the attendance on Cup day at Chester was 33,598, and the receipts totaled \$23,465. This year the number present was 37,792, and the money taken amounted to \$34,725.

A newspaper dispatch from Baton Rouge says that a poll of the Louisiana General Assembly indicates that racing will be restored in Louisiana under the pari-mutuel system with a state commission in control. The bill will be voted on next Monday.

STAKE FOR WINNING WITCH

WEBER & WARD'S MARE ENJOYS BEST OF RACING LUCK IN LOUISVILLE FEATURE.

Owners Have to Stand Big Runup to Retain Her—Hawthorn Scores Easy Victory in Race in Which Brighurst Makes Inglorious Debut.

Louisville, Ky., May 20.—Winning Witch, owned by Weber & Ward, won the Frank Febr Selling Stakes, one mile, worth \$2,040 net, in the easiest kind of fashion at Churchill Downs this afternoon in the fast time of 1:38. Grover Hughes finished second, while the favorite, Strong, bested the others for the third part of the purse. The winner was entered for \$800, bid up to \$2,200 by Frank D. Weir owner of Grover Hughes, and was retained with an advance of \$5. The winner showed extreme speed in the first three-quarters in running in close pass of the speedy Grover Hughes, though restrained, and passed into the lead when called on and finally scored in a big romp. She was lucky at the start and, in company with Strong, had somewhat the best of the sendoff. Strong was taken back on the first turn and, though working his way to the front steadily, was not good enough to cope with the winner in the afternoon.

The tattered history of the Frank Febr Stakes is shown below:

The starters in the handicap following the stake overshadowed in quality those engaged in the feature race and interest in its decision was vastly keener. Brighurst, J. N. Camden's crack two-year-old of last season, making his debut as a three-year-old, was regarded as best, but support for Vandergrift and Hawthorn was not lacking. When it came to the running, Brighurst raced disappointingly and was badly outpaced all the way. Hawthorn won with wonderful ease, and Vandergrift, showing an improved performance, took second money and Brickley third. The latter came with a big rush and overhauled Brighurst in the final stride. The performance of Beach Comber, a high-priced son of Rock Sand, that was making his initial appearance was watched with attentive interest. The colt ran greenly in the first part, but when straightened out for the stretch came with a fine burst of speed, indicating that he will favor a route. He is a slashing looking horse and probably the tallest racer in the country. He is being prepared with a view to starting in the Latonia Derby. Trainer Haunton holds him in high regard and sincerely meant it when he said to a group of horsemen, pointing to the colt going on the track, "there will be the sensation of this country before long."

Backers of favorites experienced a disastrous session, as all the choices were beaten. Matmos was the one favorite in the opener, but Superhuman led him to the finish in handy style. Flying Yankee was given the call in the second, but he was never in the hunt. Star Actress, which only recently was acquired by M. A. Colton, scored for her new owner at the first asking over Oakland and Quartermaster. The latter was probably best, for he came from a long way back after a slow beginning. Business Agent was given preference over the big band of other youngsters in the third race, but Byrne got him away in a tangle and he failed to show to advantage the purse going to Martha Lee with Maniac, a first-time starter, second and Jeff Roberts third. The closing dash went to Glass, owned by Col. Milton Young, with Flying Feet in second place and Mary Ann K. third. Weyanoke, the favorite, ran a half mile and was not prominent after the first half mile.

T. C. McDowell's crack colt, Manager Waite, was withdrawn from the opening race on account of an injury sustained in his stall this morning. Owner McDowell does not consider the injury serious.

On report of starter Morrissey, the stewards fined jockeys Taylor and Neylon \$50 each for using abusive language towards each other while at the post for the fifth race.

There will again be seven races carded for Friday at Churchill Downs, the extra race being one of three-quarters.

Secretary Ed Jasper reports that owners here responded liberally to the Empire City Stakes, which closed yesterday and will be decided at the Yonkers meeting, beginning July 11 and continuing until the opening of Saratoga race.

John D. Miller, formerly associated with Caesar Young and one-time owner of the good sire, Cunard, now owned by E. R. Bradley, was an interested visitor at the course this afternoon.

Jockey Byrne was suspended by Starter Morrissey for the rest of the meeting for disobedience at the post. Byrne has decided to remain in Kentucky until after the close of the Latonia meeting before going east. He will do most of the riding for E. R. Bradley while in Kentucky.

Thomas Fortune Ryan's string of racers, in charge of trainer W. M. Carter, will be shipped next Saturday to Belmont Park to engage in eastern racing.

At an auction sale of horses belonging to various owners, held in the paddock previous to the first race today, the following were sold: Orhella, \$2,000; Harry Goldblatt; Pajarito, \$450; M. J. Hickey; Toronto, \$300; P. R. West; Destino, \$150; L. Thompson; Bill Deltchman, \$50; T. M. Irvine.

The riders who take part in tomorrow's Gentlemen's Cup race are as follows: Calcium, Mr. Witherspoon; Cloud Chief, Mr. Conist; Palma, Mr. How; Outlan, Mr. Watterson; Golden Treasure, Mr. Reed; Hanly, Mr. Thompson; Galley Slave, Mr. Keene.

The following were among the work-outs this morning over the Churchill Downs track:

AGITATION IN FAVOR OF MUTUELS.

Whilst a ripple of quiet excitement pervades racing circles in New South Wales at the present time with regard to the proposed legalization of the totalisator, some interest is also being exhibited in the same direction in Victoria. At a recent conference of the Australian Natives' Association, held at Wangaratta, the matter was introduced, and Mr. W. H. Hulme moved: "That the board of directors take action to bring before the State Government the desirability of early legislation to legalize the totalisator." Without adopting any line of argument either in favor of or in opposition to the proposal of Mr. Hulme, the discussion which followed it appears to be about a fair sample of what is heard with regard to it in other places where the automatic betting apparatus has yet to be installed. In seconding the motion, Mr. A. G. Molr said the association had already decided strongly in favor of the machine, which had been sidetracked by the introduction of a proposal for state ownership. Mr. T. Crobie (director) said the board would accept the resolution. There were many other speakers, but the Balarat representative, Mr. A. Nicholson, was the only straight-out opponent of the motion, which was not only carried, but had the words "and to abolish bookmaking" added to it.—Sydney Referee.

ROUSING CROWDS IN AUSTRALIA.

Randwick cannot yet boast of an attendance of over 100,000, as can Flemington on Melbourne Cup day, but the crowd at the Australian Jockey Club's headquarters on "big" days has increased wonderfully during the past few years, and last Derby Day slightly over 60,000 witnessed the racing. This constitutes a record for Randwick. On Saturday last an early official computation of the attendance was 44,000, but when all the returns came in, the total proved to be 48,000, while on Sydney Cup day about 55,000 were present.—Sydney Referee.

The anniversary dividend for last year amounted to \$100,000. Mr. Ford profited more than \$5,800,000. Twelve hours after Theodore Roosevelt returned from South America he was back in the thick of the Cuban revolution. He was learned, looks forward to one of the hardest political campaigns of his career. Except for the time occupied by his trip to Spain for the wedding of his son, Kermit, he expects to devote to politics most of his time until November. A tentative plan of action has been mapped out. MONTREAL TO HAVE AMATEUR RACE.

Montreal, Que., May 20.—An application has been received from T. F. Coles asking for stabling accommodations for ten horses for the spring meeting of the Montreal Jockey Club, May 30 to June 5. Winner—Ch. f. by Stalwart—Helen Miller (trained by J. Arthur). Went to post at 2:30. At post 2 minutes. Start good and slow. Won cantering; second and third driving. STALWART HELEN worked her way up on the outside in the first quarter and, taking a long lead, was under stout restraint for the remainder of the race. CELTO raced well up in closest pursuit throughout and stood a hard drive gamely, but tired and just lasted long enough to save second place. DEVILTRY was away poorly and, closing a big gap on the outside, would have been second in another stride. BORGO saved ground on the stretch turn and was going fast at the finish. SURGEON began in a tangle and could not make up his lost ground.

Scratched—14213-Finale, 99; 14213 Fair Donna, 96. Overweights—Surgeon, 2 pounds; Louise May, 1.

Winner—Ch. c. by Star Shoot—High Degree (trained by W. B. Carson). Went to post at 3:04. At post 6 minutes. Start fair and slow. Won driving; second and third the same. HOENOB set a fast pace to the stretch, then tired, but hung on better than usual in the stretch drive. MISS BRUSH ran well and always held the others back in third place. ELMA dropped back right after the start, then closed a gap. AGITATION IN FAVOR OF MUTUELS.

Whilst a ripple of quiet excitement pervades racing circles in New South Wales at the present time with regard to the proposed legislation of the totalisator, some interest is also being exhibited in the same direction in Victoria. At a recent conference of the Australian Natives Association, held at Wangaratta, the matter was introduced, and Mr. W. H. Hulse moved, "That the board of directors take action to bring before the State Government the desirability of early legislation to legalise the totalisator." Without adopting any line of argument either in favor of or in opposition to the proposal of Mr. Hulse, the discussion which followed it appears to be about a fair sample of what is heard with regard to it in other places where the automatic betting apparatus has yet to be installed. In seconding the motion, Mr. A. G. Moir said the association had already decided strongly in favor of the measure, which has been sidetracked by the introduction of a proposal for state ownership. Mr. T. Crosbie (director) said the board would accept the resolution. There were many other speakers, but the Balarat representative, Mr. A. Nicholson, was the only straight-out opponent of the motion, which was not only carried, but had the words "and to abolish bookmaking" added to it.—Sydney Referee.

ROUSING CROWDS IN AUSTRALIA.

Randwick cannot yet boast of an attendance of over 100,000, as can Flemington or Melbourne Cup day, but the crowd at the Australian Jockey Club's headquarters on "big" days has increased wonderfully during the past few years, and last Derby day slightly over 60,000 witnessed the racing. This constitutes a record for Randwick. On Saturday last an early official computation of the attendance was 44,000, but when all the returns came in, the total proved to be 48,000, while on Sydney Cup day about 55,000 were present.—Sydney Referee.
